MOTHER'S CARE

This is the way Mother takes me to school (*περπατάμε κρατώντας το χέρι του διπλανού μας*)

Takes me to school, takes me to school

This is the way Mother takes me to school

This is the way Mother takes me to school

Mother cares for me

This is the way Mother cooks for me (*προσποιούμαστε ότι ανακατεύουμε το φαγητό στην κατσαρόλα*)

Cooks for me, cooks for me

This is the way Mother cooks for me

This is the way Mother cooks for me

Mother cares for me

This is the way Mother plays with me (*προσποιούμαστε ότι παίζουμε με ένα αυτοκινητάκι ή μια κούκλα*)

Plays with me, plays with me

This is the way Mother plays with me

This is the way Mother plays with me

Mother cares for me

This is the way Mother gives me a hug (*αγκαλιάζουμε τον εαυτό μας*)

Gives me a hug, gives me a hug

This is the way Mother gives me a hug

This is the way Mother gives me a hug

Mother cares for me

This is the way Mother reads to me (*προσποιούμαστε ότι διαβάζουμε ένα βιβλίο*)

Reads to me, reads to me

This the way Mother reads to me

This the way Mother reads to me

Mother cares for me

This is the way Mother prays for me (*ενώνουμε τις παλάμες μας και κάνουμε ότι προσευχόμαστε*)

Prays with me, prays with me

This is the way Mother prays with me

This is the way Mother prays with me

Mother cares for me

IT'S YOUR SPECIAL DAY

Mummy, it's your special day

And it's time for me to say

I'm glad for the things you do

Thank you, Mummy, I love you!
