Great idea!!

My students really enjoyed this part. Pupils enjoyed recording words in Czech. We've laughed a lot. Pupils also learned new words. The theme "I spy with my eTwinning eye" is very funny. We are looking forward to trying to pronounce vocabulary in other languages. We love eTwinning.

Jakub Melich, The Czech republic.

Brilliant !!!

It's amazing to listen to the words in the four different languages and see the similarities and differences. It's also very funny to repeat the words in the other languages. Some of them are really difficult! We share information and learn from the others, great!
