openmusicarchive

The screenshot shows the Open Music Archive website in a Safari browser window. The browser's address bar displays "Not Secure — openmusicarchive.org". The website's header features the Open Music Archive logo, a navigation menu with links for "About", "Search", "Projects", "FAQ", "Browse", and "Contact", and a list of social media links including Apple, Google, Yahoo, and others. The main content area is titled "Open Music Archive" in red. Below the title, a paragraph describes the project as a collaborative effort to source, digitize, and distribute out-of-copyright sound recordings. The page is divided into three main sections: "Search", "Browse", and "Projects". The "Search" section includes a search bar and a "Search" button. The "Browse" section lists various tags for browsing recordings, such as "1920s", "1926", "1927", "1928", "1929", "ATL 2067", "Atlanta", "banjo", "Beat", "blues", "british music hall", "Camden, NJ", "charlie poole", "Chicago", "Clara Smith", "cornet", "country", "dallas", "dance lessons", "death", "Diamond Disc", and "Don't go 'way nobody". The "Projects" section features a large image of a record collection. The bottom of the browser window shows a presentation slide titled "Slide 2 of 8" in English (United States).

Open Music Archive

Open Music Archive is a collaborative project, initiated by artists [Eileen Simpson](#) and [Ben White](#), to source, digitise and distribute out-of-copyright sound recordings. The archive distributes these recordings freely, forms a site of exchange, and is a vehicle for [future collaborations and distributed projects](#).

Sound-effects.bbcrewind.co.uk

The screenshot shows a web browser window with the URL `sound-effects.bbcrewind.co.uk`. The page features the BBC logo and a search bar with the text "SOUND EFFECTS" and a placeholder "Search BBC Sound Effects". Below the search bar, it displays "Showing top 300 of 1067 results for CAR". The interface includes a "Sound Mixer" toggle, "Sort by" dropdown, and "Filter (0)" button. There are also filters for "Categories (0)", "Duration (0)", and "Continents (0)", along with a "Reset Filters" button. Two sound effect results are visible:

- 1:44 Water - Car Wash. (Recorded inside car).
- 0:08 Crash 1 - Car crash (no car noise) -1967 (84D)

Each result includes a waveform visualization, a play button, a share icon, a heart icon, a download icon, and a "More detail" link. At the bottom, there is a "Cookies on this BBC Website" notice with links for "Close", "More Info", "BBC Privacy Policy", and "BBC Terms of Use". The browser's status bar at the bottom indicates "Slide 2 of 10" and "English (United States)".
