It's summer time!

We eat cold noodles
We drink ice tea
We go to the lake
We play in the sea!
It's summer, summer, summer, summertime
It's summer, summer, summer, summertime

We hear cicadas
We feel mosquitoes bite
We're hot all day
We're hot all night!
It's summer, summer, summer, summertime
It's summer, summer, summer, summertime

We have water fights
We swim in the pool
We learn lots of English
At the summer school
It's summer, summer, summer, summertime
It's summer, summer, summer, summertime

We go on holiday
With our family
Summer is fun for you
It's fun for me!
It's summer, summer, summer, summertime
It's summer, summer, summer, summertime
